THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the Inhabitants of the Town of Hinsdale qualified to vote on Town affairs:

You are hereby notified to meet at Town Hall, on Tuesday, the 13th day of March, 1951, at nine o'clock in the forenoon, to act on the following subjects:

Article 1. To elect all necessary town officers.

Article 1A. To see if the provisions of Chapter 171-A of the Revised Laws relative to playing games of beano shall be adopted in this town.

(Polls are open for Articles 1 and 1A from 9 a. m. to 7 p. m.)

Article 2. To see if the town will vote to accept and adopt the report of the Selectmen, auditors and other town officers.,

Article 3. To see how much money the town will vote to raise and appropriate for the payment of ordinary town charges, for the maintenance of the fire department, for highways, and for all other necessary expenses arising within the town.

Article 4. To see if the voters will authorize the Selectmen and Town Treasurer to borrow a sum or sums not exceeding in the aggregate \$40,000.00 in anticipation of the collection of taxes for the current municipal year, and to issue in the name and on the credit of the Town negotiable notes therefor, said notes to be repaid during the current municipal year from taxes collected within the current municipal year.

Article 5. To see if the town will vote to raise and appropriate the sum of \$439.54 to which the State will contribute \$1,758.15 to be expended on Class 5 roads.

Article 6. To see if the Town will vote to raise and appropriate the sum of \$400.00 to which will be added Federal funds for the control of White Pine Blister Rust.

Article 7. To see if the town will vote to raise and appropriate the sum of \$2,000.00 to complete the sidewalk on the south side of Brattleboro Road from the existing sidewalk to the driveway of the Playground or act in any manner thereon.

Article 8. To see if the Town will vote to raise and appropriate a sum of \$350.00 to buy steam tables for use in the Town Hall dining room or act in any manner thereon.

Article 9. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to purchase a new snow plow and sander or act in any manner thereon.

Article 10. To see if the Town will vote to raise and appropriate a sum of \$300.00 to defray the cost of civilian defense for the ensuing year or act in any manner thereon.

Article 11. To see if the Town will vote to install a street light on the road leading off Highland Avenue near the residence of John Beruk or act in any manner thereon.

Article 12. To see if the Town will vote a sum of money not to exceed \$200.00 as a contribution to the support of the Elliot Community Hospital of Keene, N. H., or act in any manner thereon.

Article 13. To see if the Town will vote to borrow on the credit of the town a sum not to exceed \$130,000.00 for the enlargement of the filter plant building, the adding of a new unit and the erection of a standpipe or act in any manner thereon.

Article 14. To transact any other business that may legally come before this meeting.

Given under our hands and seal in said Hinsdale this
16th day of February, 1951.

CLIFFORD D. STEARNS,
JOHN W. ROYCE,
J. DAVID DUGGAN,
Selectmen of Hinsdale.

A true copy of Warrant—Attest:

Selectmen of Hinsdale.
CLIFFORD D. STEARNS,
JOHN W. ROYCE,
J. DAVID DUGGAN,

Hinsdale, N. H., January 23, 1951.

This is to certify that we have examined the Selectmen's receipts and payments together with vouchers and supporting invoices and payrolls and find them to be properly signed and classified. We also find that the Town Treasurer has received the sum of \$238,935.71 and the Selectmen have drawn orders for \$187,863.99 leaving a balance of \$51,071.72 as of December 31st, 1950.

H. C. HOLLAND,

T. H. DAVID,

Town Auditors.

REPORT OF THE HINSDALE PLAYGROUND COMMITTEE

PLAY IS THE WORK OF CHILDREN

What is a boy?

HE IS THE PERSON WHO IS GOING TO. . . carry on what you have started. He is going to sit right where you are sitting and attend to those things you think are so important when you are gone. You may adopt all the policies you please, but how they will be carried on depends on him. Even if you make leagues and treaties, he will have to manage them. . . He is going to sit at your desk in the Senate and occupy your place on the Supreme Bench. He is going to move in and take over your prisons, churches, universities and corporations. When you get done, all your work is going to be judged and praised or condemned by him. Your reputation and your fortune are in his hands. He will assume control of your cities and towns. Right now the future President is playing marbles, and the most famous actor of his day is complaining because he does not want to go to bed. Not your contemporaries and your fellow citizens, but the boys out there in school yard, are going to say whether after all you were a grand and noble hero or a blatherskite. It is the boy who will amend your rules, alter your creeds, laugh at your mistakes. He may think kindly of you, and say you did the best you could, or he may not. Watch your step! All your work is for him, and the fate of the nation and of all humanity is in his hands. SO IT MIGHT BE WELL TO PAY HIM SOME ATTENTION.

. . . Dr. Frank Crane.

The opening of the new school during the past year has increased the use of the Playground considerably. All equipment has been put to more use and hard usage has necessitated more repair and replacement work.

The grounds, buildings and equipment are being kept in excellent shape by our caretaker, Mr. Joseph Doucette.

The ball diamonds are in use constantly from the beginning of spring until fall. They are used by the school and town teams for both regular games and practice. A portion of the field is also used by the schools for their football and volley ball games.

After school closed for the year the Playground was operated from 11:00 a. m. to 4:00 p. m. under the very capable supervision of Mrs. Rosetta Lowe, assisted by Miss Mary Lou Bosquet. Arts and crafts leather and metal work were taught as well as sports and swimming. During the ten weeks of supervised season the total attendance was 2,742 children. The largest week was the second when there were 420 children present. There were also 215 adult visitors present from many different states. The Liberty Bell called at the playground while in town and was warmly received. As a result of this the children and Mrs. Lowe have purchased a bond in the name of the playground to be used sometime in the future. Pictures of the activities and the swimming pool were published in the newspapers during the summer. At the close of the playground an exhibit of the work done during the summer was on view to the public at Tyler's store. This group also had charge of the candy booth at the 4th of July celebration.

The annual 4th of July Celebration was held with very favorable weather and a large crowd attended the midway and fireworks display. This event was held the night before the 4th so that everyone might enjoy the full holiday. The net proceeds for the day were \$422.74. This money is used to purchase new equipment for the playgrounds. Each year one or more new pieces are added to our growing playground. The Committee wishes to thank everyone who helped in any way to make the annual event so successful.

The bath-house was completed during the year. This saves the children running back and forth to the Field House during their swimming period.

The south east corner of the grounds is being cleared of brush and will be developed into a picnic-grounds for everyone.

The road through the grounds to the school was tarred this past year and results in a good appearance to the whole playground.

A new cement floor was laid in the garage.

After much consideration the Committee purchased a "Cub" tractor with a gang lawn mower to replace the doodlebug which was completely worn out. A scraper blade was purchased at the same time for general use around the field. This outfit has really answered the purpose and is used by the Town Highway Department to plow side-walks during the wintertime.

The Committee is planning additional equipment to be ready for the 1951 season. New swings, new benches and some landscaping are in the plans. Another portion of the field will have to be used before too long if more equipment is to be added. We feel that the space beside the Fieldhouse is becoming too crowded. This is being taken care of by mowing a strip behind the ball diamond across from the main entrance to the new school.

All equipment including the swimming pool was greatly used outside the supervised time. Many picnic parties were held and the grounds were in use throughout the year, by various organizations and churches.

We wish to thank all of the Townspeople and Organizations that have helped in any way to make our Playground a success. We hope to continue to build our playground so that in the future it will become a valuable asset to the Town of Hinsdale as well as offering everyone the advantages that other towns and cities provide through their recreational departments.

Respectfully submitted,
EDMUND A. BOSQUET,
BERNARD E. O'CONNOR,
ROBERT A. BRANDL,

CHARLES N. PARDEE,
THEODORE SIKOSKY,
Playground Committee.

The Board of Water Commissioners would like to explain the article they have placed in the Town Report.

The present system is not large enough for any further expansion and is not even able to supply our present demands. This was proven when the Methodist church burned. The homes on the higher levels were without water and fire protection.

This situation demands the building of a new standpipe and the adding of a new unit in the filter plant, also the enlarging of the building. This can be done at a cost of about \$60,000.

The standpipe should be located in such a place that will benefit North Hinsdale when the water system is extended in that direction. Before the people of North Hinsdale can have water or any further extension made the plant must be enlarged and a standpipe built. This article, if voted for, will give the town better fire protection and at the same time allow for future extensions.

The sum of \$130,000 was asked for. The additional \$70,000 to be used for laying pipe to connect the new standpipe to our present system.

In closing we would again like to remind the citizens of Hinsdale that these additions are necessary before any other additions can be made and we also need them now for better fire protection.

A. KRUMENAKER,
H. HOLLAND,
E. McCORMACK.

SUPERINTENDENT'S REPORT OF THE WATER AND SEWER DEPARTMENT

I would like to speak about the trouble we had last fall with condition of the water.

Due to the beavers building a dam at the lower end of Hay Stack, set the water back over new ground for a large surface. With a large rain shortly after made the taste and odor very noticeable.

I hope to be able to get rid of the beaver this spring. I would suggest that we get one or two new units for the filter plant as there will have to be repairs made on the ones we are using. With the extra amount of water used for the swimming pool and new customers, it will be impossible to repair them and be able to supply the demand at the same time.

In closing my report I wish to thank the commissioners, selectmen and fire department for their cooperation in the past year.

Respectfully submitted,
CHARLES W. HARRIS,
Superintendent.

HINSDALE FIRE DEPARTMENT

The Board of Engineers Submit the Following Report:

5 general alarms

Feb. 14 Gladys Howe, slight damage.

Mar. 3 Rink block, total loss.

April 29 Steve Packard, no damage.

July 22 Furgerson house, total loss.

Dec. 14 William Howe, slight damage.

We recommend the necessary repairs to the foundations of the present fire station. We wish to call your attention to the need of a new fire station in the very near future.

I wish to take this opportunity to thank the Selectmen, Police Department, as well as the County and State officers for their support and cooperation, which, I assure you is truly appreciated. It is a pleasure to report again that Juvenile cases in this Court are practically non-existent, and we should be pleased with our youngsters for this, as well as the adults, who seem to value good citizenship even in these troubled times.

HAROLD R. WEEKS,
Justice.

HINSDALE PUBLIC HEALTH NURSING ASSOCIATION

I hereby submit my third annual report for the period between Jan. 1, 1950 and Nov. 15, 1950.

Prenatal	10
Deliveries	2
Postpartum	9
Newborn	62
Non-communicable	582
Communicable	49

Health supervision visits:

Infants (including baby clinics)	44
Pre-school	22

Adult	1
School	249
Crippled children's service	2

The annual physical examination of school children was done soon after opening of school by Dr. Edmond La-Chaine, school physician, assisted by the school nurse. Poor teeth and enlarged tonsils were the outstanding defects found in the group.

I attended a New Hampshire State Nurse's meeting in Concord, N. H., March 8th and a New Hampshire School Nurses' meeting in Concord on October 20.

In the late spring the children of the first six grades of school were transported to Winchester for sodium fluoride treatment which included cleaning of the teeth and four applications of sodium fluoride. The service was sponsored by the State Department of Health.

In the spring 375 children and all adults connected with the school were given the Patch test for tuberculosis. Twenty-three children and eight adults were taken to Keene for chest X-rays. No active cases were found.

A triple toxoid clinic for immunization against diphtheria, tetanus and whooping cough was held in the fall. Ninety-seven children attended the clinic, which was sponsored by the state.

I wish to thank all those who have cooperated with me in carrying out the work of the nursing service.

Respectfully submitted,

BERTHA CURRIER, R. N.

Since beginning my duties as public health nurse November 16, I have made the following visits.

Non-communicable	44
Acute communicable	4
Prenatal	1

Health supervision:

New born	1
Pre-school	4
School	17
Adult	4
Others	7

Testing of hearing of all pupils except first and second grades in the Grammar school has been done with the true tone audiometer. One child was found with defective hearing.

I wish to thank members of the nursing committee, teachers, physicians and community for making my work pleasant for the short time since my appointment.

Respectfully submitted,

LUCIE E. PETERSON, R. N.,

School Nurse, Public Health Nurse.

LIBRARY REPORT

Hours open per week	23
Total circulation	21,142
Adult fiction	8,542
Adult non-fiction	2,140
Juvenile fiction	3,442
Juvenile non-fiction	2,978
Magazines	4,040
Average daily	79
Percent of fiction	.56

The largest increase this year was in the magazine circulation and is plainly shown in the tattered condition of them after a few months circulation. However, we feel that this is much better than having them collect dust on back shelves and add to the burden of the floor supports. We shall add at least three more magazines this year.

There have been no bus loads of children from the elementary school this year and we are sorry that those

who enjoy books are unable to have them but we are glad to be rid of those who "only came along for the ride."

Two committee members and the librarian attended the Western Mass. Library Meeting and the librarian has attended other meetings.

Being boarded up for the summer made the library rather gloomy and the repairs to the roof in no way helped the steps from being covered with a thin coating of ice. The walls and woodwork need a coat of paint so as not to appear dingy by comparison with the rest of the newly decorated building. We hope, if this is done, it will not be during the winter months as this is our busiest time.

We are grateful for the Electrolux purchased by the town. It takes care of the dust problem much more satisfactorily than any other previous method used.

LUELLA M. C. STREETER,
Librarian.

THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the School District in the town of Hinsdale qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the tenth day of March, 1951, at two o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a member of the School Board for the ensuing two years.
5. To choose a Treasurer for the ensuing year.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors, Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will authorize the school board to transfer the balance in the Building Fund in the

amount of one thousand one hundred eighty-four dollars and sixty-four cents (\$1,184.64) to the General Fund, such sum to be applied against the appropriation for 1951-1952 as specified in Article 8.

10. To see if the district will vote to raise and appropriate the sum of three hundred dollars (\$300) as the school district's share of repairing and replacing equipment for the playground.

Given under our hands at said Hinsdale, this twelfth day of February, 1951.

EARL A. CLARK,
MARGARET G. STREETER,
EDMUND A. BOUSQUET,
School Board.

A true copy of warrant—Attest:

EARL A. CLARK,
MARGARET G. STREETER,
EDMUND A. BOUSQUET,
School Board.

REPORT OF THE ELEMENTARY SCHOOL LUNCH PROGRAM

On December 12, 1949, we started our school lunch program, serving balanced type "A" lunches. Nearly all the children take advantage of the opportunity to receive the hot lunches at twenty cents a meal, which includes one-half pint of milk.

The first three grades eat in one group at quarter past eleven. Their tables are set by a group of girls from grades five and six, who also place the food on the table so the little people do not have to carry it. The second group, grades four, five and six eat at quarter of twelve and they are served cafeteria style.

We were very fortunate in having the services of Mrs. Yvonne Donzey as our first cafeteria manager, very ably assisted by Mrs. Katherine Tkaczyk. Later it was thought more help was needed and the following persons served various lengths of time. Miss Yvonne Kilhart, Miss Betty Chamberlain, Mrs. Lillian Streeter and Mrs. Pearl Gove.

We wish to thank the town's people and the school board for giving us such a wonderful equipped kitchen. It has made our work much easier and more pleasant.

The State Lunch Supervisor has very highly commended our program saying it was one of the best in the

state. We can see that the children have derived a great benefit from the hot dinners both in their scholastic standards and general well being.

The following is the financial report of the Elementary School Lunch program from December 12, 1949 to June 30, 1950.

Receipts:

Cash received from lunches	\$4,263 85	
Federal reimbursement from		
U. S. D. A.	1,852 74

Paid for labor	1,221 93	
Other expenditures	307 69	
	<hr/>	
Total		5,375 37

Cash on hand June 30, 1950	\$799 22
----------------------------	----------

MABEL E. TEMPLE,
Principal, Elementary School.

January 31, 1951.

**REPORT OF THE HEADMASTER OF THE
HIGH SCHOOL**

January 15, 1951.

To the Superintendent of Schools:

I herewith submit my fourth annual report as principal of the high school.

Open House was held in November of this school year. It was well attended by parents and friends who were invited to visit the school and to discuss mutual school interests with the teachers. The short program which preceded the visitation period included entertainment by

pupils and a panel discussion by senior class members on the subject "What High School Is Doing for Me."

The senior class play, "The Barretts of Wimpole Street," was very well received in our town. On the night of the play, a supper was served by the Band Sponsors' Club, assisted by the parents of the graduating class. The proceeds were divided equally between the senior class and the Band Sponsors' Club. A candy booth also was sponsored by the parents of the senior class. By request, the play was presented again in Winchester under the auspices of the Kiwanis Club.

The Border League is maintaining very keen competition in six sports. This year our school took first place in baseball and football, and holds the two rotating trophies on display in the school. The basketball teams played in the King Philip Hoop League as well as in the Border League, and participated in the Orange Tournament. The baseball team purchased five complete new baseball uniforms to replace badly worn equipment.

The freshmen and junior plays were very well presented but to a small but appreciative audience. We hope that these plays will be better attended in the future so that an alternate method of raising class funds will not be necessary. The presenting of a play to a small audience is disheartening to the players.

Two new teaching tools were added to the school. A wood shaper has been placed in the shop, and a slide film projector is available to all classes. A slide film library is in the making and a number of school-owned slide films have already been purchased.

The shop boys completely built and installed, in cement foundations, two basketball backboards in the school yard. Some of the boys also worked as carpenter's helpers at the playground to erect the new field house.

In connection with a unit in newspaper production, the senior class visited the Brattleboro Reformer Plant and witnessed the newspaper going to press. A group of pupils attended an evening performance of "Character

Sketches" by Cornelia Otis Skinner, at the Northfield School for Girls.

The Band Sponsors' Club continued its efforts to help the Music Department and bought the entire band overseas type hats, new twirler's uniforms, one clarinet, one alto sax and a trombone.

The Music Department completed one of the most active years in its history. In January the band played for the Northfield and Bernardston high schools in their respective communities. In February the band played for the senior play. During the month of March, members of the band and chorus represented our school at the All-State Concert Festival at Manchester. The junior band, chorus, soloists and senior band were all assembled at the Spring Concert and presented an outstanding concert. The band played at the Freshmen-Junior plays in April. The Monadnock Region Musical Festival was held in our town during the month of May. The towns represented in this festival were Winchester, Walpole, Alstead, Keene, Westmoreland and Hinsdale. An afternoon band concert, parade and evening concert at the town hall highlighted the festival. Bands, choirs, and orchestras participated in the evening concert. During the month of May the band played for the Memorial Day exercises; and made a trip to Rutland, Vermont, to march in the New England Audition Festival parade. In June the choir and the band took part in programs during the graduation week. At the end of the school year last June the Arion Award was instituted and presented to two pupils in our school who completed four successive years in the band or chorus. A free concert was presented to the public at the new elementary school cafeteria in September. In October the band played for two Greenfield Lions football games, and also played for some of our own school football games. The December activities of the Music Department saw the choir, grade school, soloists and band performing at the Christmas Concert. The first public showing of the new gold-fringed American flag presented to the school by the school board was made. The Firemen's Christmas party was en-

tertained by selections played by the school band, and this marked the final musical activity which closed this department's busiest year.

The school band fund purchased a flute, one baritone sax, and one street drum and accessories.

The American Legion, the Veterans of Foreign Wars and the Firemen each sent one high school junior boy to Boys' State at the University of New Hampshire. The Legion Auxiliary sent two high school junior girls to Girls' State also held at Durham. Heretofore, only two pupils were fortunate enough to make this trip, while this past summer five pupils were sent for a week of citizenship training.

The pupils were given a physical examination by Dr. Lachaine who was assisted by the school nurse, Miss Currier. During the school year, the doctor and the school nurse were called upon many times to render service.

The graduates of the class of 1950 included the following:

Henry James Blouin	Esther Mary Kerylow
Eugene Richard Butler	Theresa Mary Rose LaPointe
Roswell Place Ethridge	John Francis Leary, Jr.
Russell George Farnham	William Francis Majer
Loretta Rose Gragen	Stanley Earl Packard
Carolyn Mae Grover	Harriet Jane Roy
Lois Jean Herrmann	Theodore Roman Tkaczyk
Ronald James Higgins	Ruth Emmaline Wheeler

The financial status of the School Activities Fund as of December 15, 1950, was as follows:

Class of 1951	\$582 31
Class of 1952	407 46
Class of 1953	449 40
Class of 1954	204 66
Class of 1955	121 16
Class of 1956	22 81
Music fund	44 65
Athletic fund	67 28
Student Council	9 66

Parents and friends are welcome to visit school at any time, and make appointments with teachers after school whenever necessary.

Respectfully submitted,

LEON D. DOYER,

Principal.

Hinsdale, N. H., Jan. 15, 1951.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Hinsdale:

I have the honor to submit my fourth annual report.

Teachers: The teacher turnover in Hinsdale during the past several years has been small. Hinsdale has been more fortunate in this respect than a great many communities. Just what effect full time war economy will have on our staff, particularly the men teachers, is problematical at the present writing.

There were three changes in our personnel when schools reopened in September. Miss Dorothy Thompson of Keene Teachers College was elected to fill the vacancy in the Home Economics Department of the High School caused by the resignation of Miss Mary Louise Smith. Miss Smith is now teaching in Meredith, New Hampshire. Mr. Stanley W. Peters of the University of New Hampshire was elected to the Mathematics-Science position in the High School vacated by Miss Jane Durkan who is now teaching in Agawam, Massachusetts. Miss Ruth Dexter of Dublin, New Hampshire, was elected to the position in the Elementary School held last year by Mrs. Ruth Rider who is now teaching in Brattleboro, Vermont.

Building and Grounds: The exterior of the high school building was painted during the summer. All loose paint and putty were removed by scraping, all loose clapboards were nailed, all nail holes and cracks were puttied, all necessary glazing of windows was done and two coats of paint given to the building.

The downstairs hall in the High School and one of the classrooms on the first floor were extensively repaired during the summer. The plaster on the walls was loose and dangerous. Wallboard has now been put up to eliminate the possibility of having the plaster fall.

A modern side-jet drinking fountain has been installed in the lower hall in the high school building. This is in accord with recommendations by the state health authorities.

It would be wise to have one or more rooms repaired each year in the high school building thereby keeping it in as good a condition as possible.

The Elementary School, being so new, needed nothing but the usual cleaning and waxing of floors during the summer months. A flag pole will soon be installed in front of the school.

Miscellaneous: The school lunch program is functioning extremely well at the Elementary School. Mrs. Guy Foster and Mrs. Roman Tkaczyk are preparing well balanced Type A lunches and running the cafeteria very efficiently. Miss Mabel E. Temple, the school principal, keeps all records incidental to the program. Your attention is called to a report by Miss Temple on the lunch program including a financial statement through last June.

The Elementary School is the proud possessor of a new 16 mm. sound projector. This piece of equipment was purchased jointly by the pupil activity fund of the school and the school district. Audio-visual aids have been proven to be powerful instruments of instruction and the elementary school pupils can now view films of great educational value.

A new film strip projector was purchased for the High School. This is used by all the teachers in all subjects to show still pictures pertinent to the subject matter of the courses. The Elementary School could use such a machine to advantage.

The High School is becoming more and more active in extracurricular affairs. Basketball has become a popu-

lar sport in Hinsdale and the high school team has many loyal supporters. The Hinsdale High School Activity Fund has grown to be quite sizeable and your attention is called to the financial statement prepared by Principal Doyer.

A Monadnock School Lunch meeting was held in the Hinsdale Elementary School last spring. School lunch workers, teachers and school board members were present from the towns in the Monadnock region.

An Art Workshop for the elementary teachers in Union No. 25 will be held in the Elementary School on January 29, 30 and 31. It is expected that teachers from Marlboro and Troy will also attend the workshop. It will be conducted by Miss Wilma Geer, Art Consultant for Binney and Smith Company. Miss Alice D. Baumgarner, State Director of Art Education, will be present from the State Department of Education.

A number of our teachers are to be commended for taking courses both during the school year and during the summer vacation. Taking such courses is one of the means of a teacher keeping abreast of modern developments in the field of education.

One of the most worthwhile projects ever undertaken in Supervisory Union No. 25, comprising the towns of Hinsdale, Richmond, Swanzey, and Winchester, was completed this past spring. I refer to the topical fluoride treatment of the teeth of pupils in grades one through six. This treatment was given to 203 pupils in Hinsdale, 20 in Richmond, 232 in Swanzey, and 255 in Winchester, a total of 710 pupils.

The treatments were all given at the Community Center Building in Winchester. When it is recalled that each child had four separate sittings on different days, the magnitude of the task becomes apparent. Transportation alone was a considerable problem.

The cost of the project was borne by the federal government, the only cost to the district being that of transportation. If \$12.00 is considered a normal fee for the topical fluoride treatment, the total value of 710 treatments is \$8,520.00.

In conclusion, I wish to express my appreciation to the teachers, pupils and parents, to the School Board and to the patrons of our schools for their cooperation.

Respectfully submitted,
CHESTER C. LEES,
Superintendent of Schools.

January 9, 1951.

TO THOSE INTERESTED IN OUR TOWN CEMETERIES

It is a pleasure to report the many favorable comments received, last Memorial Day and throughout the year, upon the well-kept condition and care given our town cemeteries.

In order to assure the continuance of such care, many people have recently created Trust Funds or have increased already existing Trust Funds, for the perpetual care of the cemetery lots they are interested in.

Everyone will appreciate the increased cost of properly caring for our cemeteries and the low interest rates received today, compared to a few years ago.

Your Selectmen and the members of the Trustees of Trust Funds, will appreciate your giving consideration to placing on perpetual care, the cemetery lot you are interested in, by the creation of a Cemetery Trust Fund or the increasing of an existing fund.

Let us continue to maintain the present high standards of our cemeteries.

THE SELECTMEN OF HINSDALE,
THE TRUSTEES OF TRUST FUNDS.

CERTIFICATION

This is to certify that the information contained in this report is complete and correct, to the best of our knowledge and belief.

JASON W. HOLMAN, Treas.,
RAY L. FLETCHER,
PRENTISS W. TAYLOR,
Trustees of Trust Funds.

*The Annie E. Amidon Cemetery Fund has now accumulated to \$2,445.82. This fund was originally \$2,500.00 and deposited in the Merrimack River Savings Bank, which defaulted in 1930. It finally paid off 72%, or \$1,845.00. On recommendation of the State Tax Commission in 1940, no interest is being used on this account, until it has accumulated to its original amount of \$2,500.00.
